

*Feathers in Flight*  
CELEBRATING THE CALIFORNIA CONDOR

SEPTEMBER 12, 2015

# VENTANA WILDLIFE SOCIETY

*You are invited to join us for our 9<sup>th</sup> Annual California Condor fundraising event!*

**Support California Condors while spending the afternoon with GOLDEN EAGLES, hawks and falcons!**

VWS is proud to announce that the Los Angeles Zoo and local falconers will be bringing live birds to Feathers in Flight, offering guests a close look at these beautiful raptors. Stroll around savoring the ocean views, sumptuous hors d'oeuvres, 10SPAN wine, locally brewed beer, and tantalizing dessert. Other attractions include live music, live and silent auctions for unforgettable experiences, unique condor themed gifts, and much more! You might even see a live condor soar overhead. We encourage you to bring the entire family, our education staff will have special activities for the kids.

*VWS manages a wild California Condor population of over 70 individuals along the Central California Coast. Our goal of a self-sustaining population can only be met by managing threats to the condor's survival. We're making great progress towards our goal, but we still need support. All proceeds benefit the condor.*
