NATURAL SCIENCE AWARENESS PROGRAM

Classes increase nature awareness and stewardship through wildlife observation, journaling, nature exploration, practicing native skills and wilderness survival.

Topic include: Orienteering and navigation, native / non-native species, habitat exploration, invertebrate studies, native crafts and skills, tracking and observing animal sign and more.

Wednesday 9am-12pm (ages 9-12)
Thursday 9am-12pm (ages 6-9)

**Nature Classes
for parents and
children ages 4-5
Thursdays 12:30-1:30pm
@ Laguna Grande
with Leslie
\$75 for 10 classes**

Transportation provided (*unless class is paid for through Ocean Grove Charter*) – pick up and drop off at Laguna Grande Park playground across from Seaside City Hall.

Students may also be dropped off and picked up at each class location. Class locations range from Elkhorn Slough Reserve (north) to Soberanes Canyon (south).

Cost is \$175 for 10 classes (Fall: September to December, or Spring: January to April)
Drop ins, if they can be accommodated, are \$20 / class

To register, call 831-455-9514, or email alenaporte@ventanaws.org
