

Ventana Wildlife Society—Free Non-Lead Ammunition Program

Rules and Conditions

1. You must be at least 21 years of age to receive ammunition.
2. You must be a citizen of the United States and not prohibited by law from possessing or purchasing ammunition. Your signature will be required upon transfer of ammunition.
3. Offer available only while supplies last for residents of selected California counties.
4. Offer good for rifle ammunition with possible exceptions.
5. Offer limited to one free box (20 rounds) per person and/or address per calendar year. Participants may be eligible for multiple boxes of rimfire (.22 LR or .17 HMR).
6. All ammunition must be certified non-lead as indicated by Department of Fish and Wildlife (<https://www.wildlife.ca.gov/Hunting/Nonlead-Ammunition/Certified>).
7. Monterey County residents must pick up ammunition in person with government-issued ID. We may arrange delivery to Monterey County residents unable to travel to our office.
8. Delivery to residents in other counties is limited to scheduled dates. Delivery dates occur regularly for San Benito County. For more distant areas (e.g., Kern County), we may schedule one or two delivery dates per month. We will try our best to offer convenient transfers of ammunition, but we can not guarantee home deliveries for all participants.
