

Ventana Wildlife Society Big Sur Condor Eco-Experience

- **CALIFORNIA CONDOR BIG SUR SANCTUARY VISIT
(FOR UP TO FOUR PEOPLE)**

Spend a day with Executive Director, Kelly Sorenson, in Big Sur searching for wild California condors - the largest land bird in North America with a 9.5 foot wingspan! Meet at our VWS Discovery Center, located at Andrew Molera State Park, then travel into the Big Sur wilderness on a private dirt road to our remote condor sanctuary located in a coastal canyon 2,800 feet above the ocean which is only three miles away! This full day visit, 10:00AM to 3:00PM, includes lunch, snacks, and drinks.
